2. Scope

2.1 Scope detail 1

Scope policy text, clause 2.1.1: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.1.2: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.1.3: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.1.4: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.1.5: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.1.6: employees follow the documented process and record exceptions with their manager.

2.2 Scope detail 2

Scope policy text, clause 2.2.1: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.2.2: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.2.3: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.2.4: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.2.5: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.2.6: employees follow the documented process and record exceptions with their manager.

2.3 Scope detail 3

Scope policy text, clause 2.3.1: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.3.2: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.3.3: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.3.4: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.3.5: employees follow the documented process and record exceptions with their manager. Scope policy text, clause 2.3.6: employees follow the documented process and record exceptions with their manager.
